Introduction

Tutbury Parish Council's grants policy aims to offer financial assistance to local community groups, organisations, and, under the General Power of Competence (GPC), individuals, where projects will benefit the parishioners of Tutbury.

Grants must demonstrate clear benefit to Tutbury and its residents. Applications will be considered at a quorate Parish Council meeting. Applications and supporting documents should be received at least 7 days before a meeting (usually held every third Monday of the month — please check the website for dates).

- Provide opportunities for sporting or recreational activities.
- Promote community events or celebrations.
- Assist disadvantaged or less able residents.
- Develop projects of wider benefit to Tutbury.
- Raise the profile of Tutbury.
- Offer new services or activities within the village.

Applicants must:

- Hold a bank account in the organisation's name (individuals will need a named community account if possible).

- Demonstrate an organisation structure (constitution, minutes, or similar).

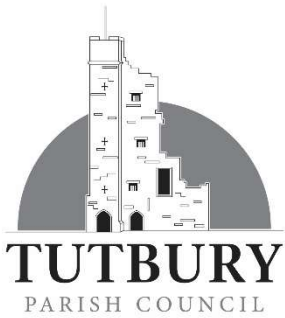

Grants will **not** be awarded for:

- General appeals for national or international disasters.

- Projects linked to political parties.
- Projects that discriminate against any group (equal opportunities must apply).
- Services that are the statutory responsibility of another public authority.
- Businesses or profit-making organisations.
- General running costs of existing organisations (unless exceptional circumstances).

Important Notes

- Only one grant application may be submitted per financial year.

- Successful applicants must provide a post-project report (including evidence of expenditure and outcomes).
- Grants will be awarded from within budgeted funds and within the Council's legal powers (using GPC where applicable).
